ROOMLUX®
my light. my choice

V.**09** 2022

ABOUT US

Early since 1990's, Roomlux has engaged in the lighting industry. Starting from traditional incandescent bulb, halogen lamp, fluorescent tube, etc., it has been keeping close pace with development of science and new technology.

Through almost 30 years dedication, Roomlux has built up professional teams and established long term strategy partnership with its carefully selected supply chain plants, most of which are front runners in specific category of products.

In year 2010, Roomlux invested and set up new R&D center and manufacturing base, with land area of 33,300sqm and floor area of 22,000sqm, focusing on research and development and aiming at providing the best LED lighting products.

Roomlux is now serving clients from more than 85 countries and supplying thousands of products covering residential, commercial, industrial and solar lighting, from normal electric bulbs to up-to-date high-tech lighting system.

Abiding by the philosophy of 'Customer First, Pursuit of Perfection', Roomlux has become a reputable name for its wide and comprehensive products collection, superior quality, competitive price and reliable service.

To bring brightness and happiness to every corner of the world, Roomlux shall devote itself to this will and would like to invite clients to join hands with us, to achieve glory and success together.

INDEX

WORKLIGHT

PORTABLE · TRI-POD · POWER STATION

ROOMLUX® work lights have been specially developed to cope with the grueling demands of daily off road use and, due to the materials used, meet the higher expectations for resistance to dirt and moisture in an exceptional manner.

The typical **ROOMLUX**® high quality and craftsmanship ensures functionality and longevity at the highest professional level.

FLOODLIGHT

SMART · RGB · 3–IN–1 CCT CHANGE · BASIC · ULTRA SLIM · SOLAR · COB · MODULAR

Thanks to **ROOMLUX**® high lumen output the floodlight performance is a perfect replacement for luminaires with traditional high-pressure discharge lamps. The precise distribution of light with different beam angles also makes it suitable for a wide range of applications. The extremely robust and durable LED luminaire features IP66 and IK08 protection.

OUTDOOR SOLAR PROJECTION LAMP

Private-mode Product · High Quality

Adopt new nano reflective cup
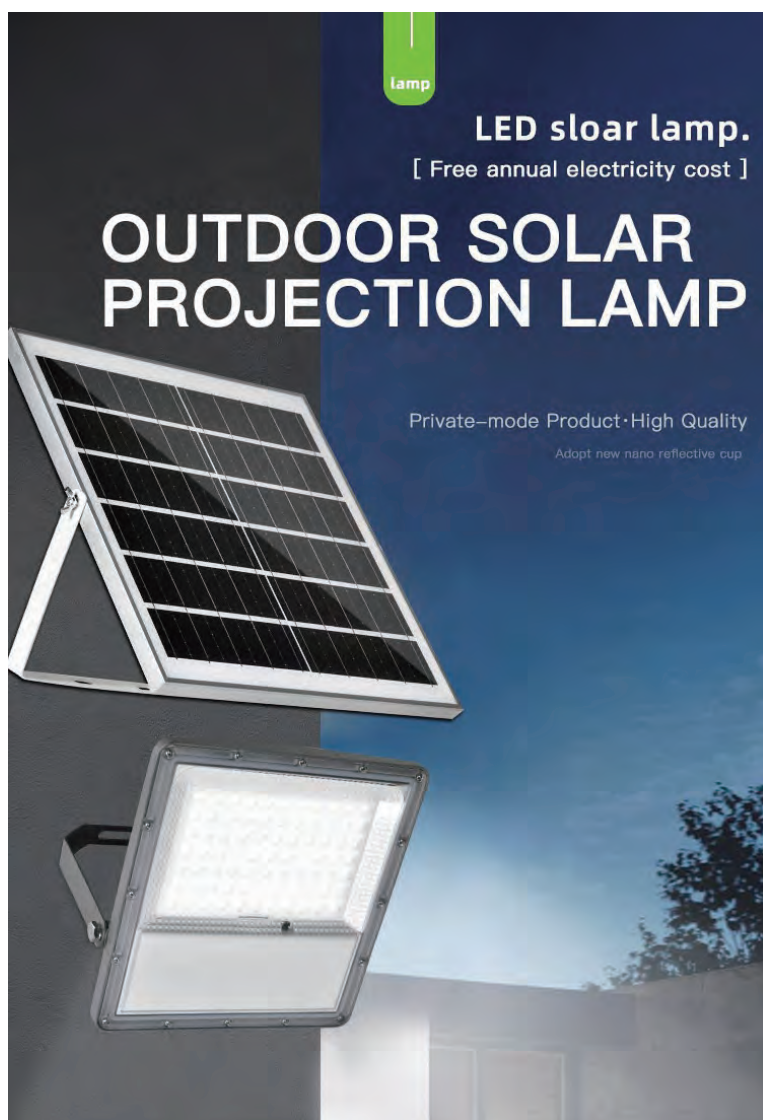

lamp

FLEXIBLE SWIVEL BRACKET

Aluminum Bracket, anti-corrosion, rustproof, 180° flexible adjustment.

180° rotating bracket

DETAILS

Die-casting Aluminum Lamp Body

Preferred high quality thickened die cast aluminum, high efficiencyheat dissipation, high temperature resistance, corrosion resistance, aging

High Lumen LED Chip

Adopting high-transmittance lens+high lumen LED chip-high brightness, low decay, free flicker, good constant current stability, long lifespan

Solar Light IP67

HIGH QUALITY SOLAR PANELS

Made of polysilicon panels, it has a Higher Photoelectric Conversion Rate---18%, faster charge particular in a sunny day, only 4-6 hours can it make a full charge.

Charging Time: 4-6 hours

Power of Solar Panel: 10V, 35W
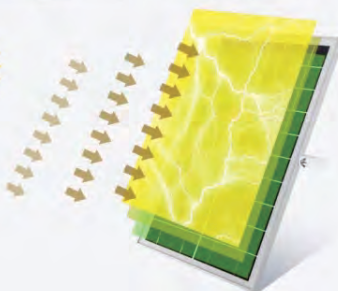

High Color Rendering
CRI>80

Higher Lumen
1150Lm

Lower Heat
Working temps:-15°C ~ 45°C

Wider Lighting Area
120° beam angle

HIGH BAY
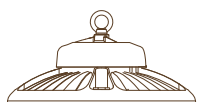

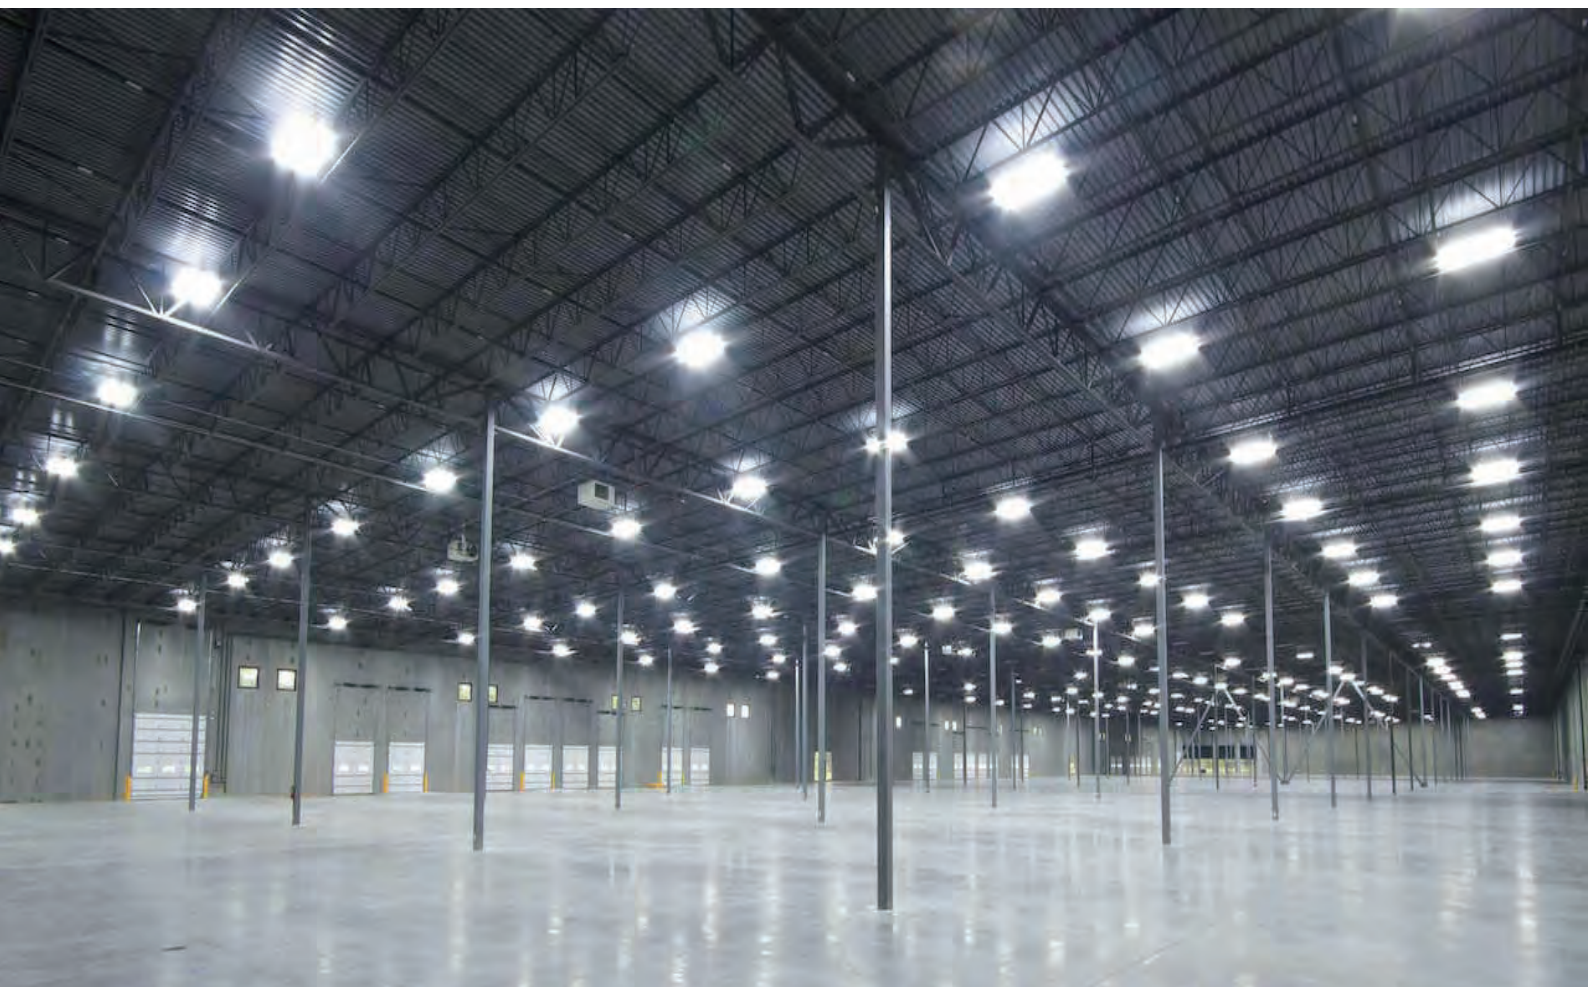

BASIC · UFO · LINEAR

ROOMLUX® Luminaires can be combined in groups across the layout, and re-zoning them does not require a hardware change, thus minimizing commissioning costs. The system delivers savings over and above the actual efficiency of the LEDs and is future-proof, In the PIR version products, when there has no movement detected after 15 minutes, the lighting will dimming down to 25% of the lumen output, which helps to maximum your energy saving in a simple way.

EX PROOF
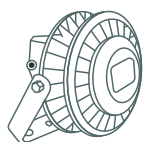

SQUARE · ROUND · LINEAR · STREET

Explossion proof lighting significantly reduces the risk of explosions by preventing the ignition of surrounding flammable gases and vapors. The average service life is up to100,000 hours. Explosion proof grade is Ex d IIC T6 and the anti-corrosion grade can reach WF2. The line is offering round, square, tube shaped lamps.

Product Features
> Products can work safely in various flammable and explosive places.
> Cast aluminium alloy shell, surface spraying anti-static, corrosion-resistant, waterproof, dust-proof.
> Transparent toughened glass protective cover, good light transmittance, high light flux.
> Beautiful appearance, simple and reliable structure, easy installation.
> Independent wiring cavity design makes wiring more convenient and fast.

STREET LIGHT

DUSK TO DAWN · BASIC · SOLAR

The **ROOMLUX**® street luminaire is optimized for customers requiring a LED solution for local, collector and major roadways. GE's unique reflective optics are designed to optimize application efficiency, minimize glare, and 'shape' the light to where you want the light to go. The modern design incorporates the heat sink directly into the unit for heat transfer to prolong LED life.

Street Light
DUSK TO DAWN SECURITY LIGHT

Products Features:
• The light shell is die−casting of high quality aluminium alloy, clean and smooth. Electrostatic epoxy coating surface treatment provides quality anti−corrosion.
• Using a high temperature resistant(>200°C) silicon rubber sealing ring, this provides waterpoof, anti−dust and anti−fooging.

Application:
• The township streets, squares, courtyards, plazas, etc.

Street Light
PRO

Ideal for lighting dark, secured areas or any place where a large concentration of light is needed.
• Office Building
• Storage Sites
• Streets
• Parking Areas
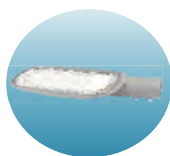

Chips

High brightness LED chips
High Light efficiency

Housing

ADC#12 aluminum
High purity and density
Excellent heat dissipation

### Professional outdoor paint

Anti-corrosion and anti-rusting

Street Light
SOLAR

SOLAR STREET LIGHT

3 YEARS WARRANTY

170Lm/W

Streamline design
No accumulation
Modern and innovative
Excellent heat dissipation

2X2.5mm²Cable
Ensure maximum current circulation
Guarantee internal non heating and pad does not fall off

Solar Street light:
Safe and efficient
Fast charging and large capacity

Night illumination
IP65 waterproof
Safe and long life-span

WATERPROOF RATING IP65
Corrosion and rusting resistance
Excellent heat dissipation performance

Brand Battery:
Large capacity,6000mAh/battery
Safe and high efficiency
